

# President's Letter "#9"

## TO OUR WONDERFUL MEMBERS

I am sure you noticed a “buzz” in the air since my last letter. And **YES** you saw GC 3<sup>rd</sup> Division members coming along to Training Sessions and going away to practice strokes and jump shots. This resulted in our players excelling themselves in the CNSW 3<sup>rd</sup> Division GC championships just finished.

Mosman had four doubles in the quarter finals and one doubles (**Heather Sherlock and Peter Lewis**) in the semi-finals. In the Singles competition, **De Howarth** was the Winner, as Champion, with some outstanding results from our other Mosman players. A wonderful achievement, particularly for all our players entering a tournament for the first time.

### **Support from GC Div 1 and Div 2 players**

We are grateful for the role you played in encouraging play with some of our Division 3 players. From comments made to me they said they learnt a lot from the experience and knowledge imparted to them. May it continue.

### **Accolades to the Club - What a Marathon!**

What can I say! We start with the “**Mosman Team**” headed by Ron Humpherson and Penny Paterson. As of last Sunday, Penny doesn't need help any more. She is more likely to be helping the rest of us! Ron, in fine style went out, purchased the latest “state of the art” computer and took technology to TODAY with publishing results on the big screen. Impressive.

**The Grounds Team** - our dedicated group. The lawns, the setting up of hoops in the early morning, the high standard were noted and commented on (with a tiny bit of envy) by players from our “sister” clubs. We are so lucky.

**What about Cali Craig and her team, and Fidy Westgarth and Michael Morton-Evans?** We cannot say enough about the “workers” who made it all happen. We are still in awe at the organisation, the food, the sanitisation, the Notices. A huge “Thank You” to the many unnamed members who quietly toiled to make the tournament the “Special” event it turned out to be.

I say to our members that the only reason our Club is **SO FANTASTIC** is because of its fantastic volunteers.

**Mary Gibson**  
**President**
