## 2. Club Competitions and CNSW Pennants Competitions

- Pennants - Congratulations to all MCC members who participated in the NSW Division 3 and Division 2 and Division 1 Pennants for 2024. Great games from all participants. Thank you to all Team Captains for organising their games, and for all teams being excellent hosts to visiting teams. Congratulations to Division 3 Mosman Blue and Mosman White teams, which came third and fourth overall, and qualified for the semi-finals. Mosman White still has a semi-final game against Elanora. Divisions 1 & 2 are still taking place. Thanks to Michael Chambers for being the

supervising referee for many of these games, and also to Michael Chang and Helen Collins for their refereeing and expertise.

- Maryn Prins Tournament 2024. As always, this much-loved tournament was well represented, and using the new Advantage handicap system, proved very eventful. Finals played between Tim Cormack and Michael Chambers, and Sue Clubbe and Joanne Nimmons. Sue and Joanne took the trophy home, and were honoured to do so, even more honoured to be presented from Griselda.

### **3. Club Events**

- Sunday Social BBQ October Long weekend, great food from Greg and Marion Bredon, and Cali Craig, and great company from those who attended.
- Twilight Chook Run very successful, great fun, and good spirited competition. Chook won by Michael Chambers. Look forward to this event **every** Thursday 4pm for 4.30 pm start. Many thanks to Penny and Michael Morton-Evans for organising and providing the chook and the nibbles.
- Rules - A reminder, that MCC Members are expected to play by the Rules which govern our wonderful sport, **at all times**. There will be a refresher Rules session soon, times to be announced.
- A gentle reminder-members are encouraged and welcome to BYO to the Club, however, perhaps not store it at the club. There have been several incidents where, despite having members names displayed on their bottles, alcohol has been taken.

See you on the lawns,

Joanne
